

Washington, DC 20402. No formal request to examine documents in the FEDERAL REGISTER is necessary to inspect them at the place where they are kept. Materials incorporated by reference in the FEDERAL REGISTER are available for inspection in A&TBCB offices.

(b) *Code of Federal Regulations.* Title 36 of the *Code of Federal Regulations*, which is republished and updated annually, contains a compilation of documents published by the A&TBCB in the FEDERAL REGISTER which set forth substantive and procedural rules and regulations of the A&TBCB and statements of general policy or interpretations of general applicability formulated and adopted by the Board. Copies of the *Code of Federal Regulations* are available in many libraries and may be purchased from the Superintendent of Documents. Reference copies maintained in offices of the A&TBCB are available for examination without formal request.

(c) *Effect of nonpublication.* Except to the extent that a person has actual and timely notice of its terms, no person may in any manner be required to resort to, or be adversely affected by, any procedure or matter required to be published in the FEDERAL REGISTER, but not so published. For the purposes of this paragraph, material that is reasonably available to the class of persons affected by it is considered to be published in the FEDERAL REGISTER if it has been incorporated by reference in the FEDERAL REGISTER with the approval of the Director of the Federal Register.

§ 1120.6 Information in A&TBCB publications.

(a) *General.* Copies of information material shall be available upon oral or written request so long as an adequate supply exists. These informational materials include press releases, pamphlets, and other materials ordinarily made available to the public without cost as part of a public information program, and reprints of individual parts of the *Code of Federal Regulations* or FEDERAL REGISTER relating to programs affecting substantial segments of the general public. Copies of informational publications of the A&TBCB

which may be purchased from the Superintendent of Documents may be inspected in those offices of the A&TBCB in which reference copies are available. Compliance with the formal procedures provided in this part for obtaining access to A&TBCB records is not necessary for access to the materials described in this paragraph.

(b) *Published indexes.* The informational publications available from the A&TBCB may include indexes to materials published or contained in its records. They will include the current indexes required by the Freedom of Information Act to be maintained and made available for inspecting and copying, except as otherwise provided by published order, as noted below. These indexes provide identifying information for the public as to—

- (1) Final opinions and orders made in the adjudication of cases;
- (2) Statements of policy and interpretations adopted but not published in the FEDERAL REGISTER; and
- (3) Administrative staff manuals and instructions to staff that affect a member of the public.

As promptly as possible after adoption of this part, these indexes will be made available to members of the public. Thereafter, updated indexes or supplements shall be published at least quarterly. However, the Board may determine by order published in the FEDERAL REGISTER that publication of an index is unnecessary and impracticable. In that case the Board shall provide copies of the index on request at a cost not to exceed the direct cost of duplication.
