

§ 1220.54

36 CFR Ch. XII (7-1-08 Edition)

regulations issued thereunder in 36 CFR subchapter B.

(b) NARA evaluations may include comprehensive reviews of agency records management programs, or selective reviews focused on adequate and proper documentation, on records disposition, on the management of specific types of record media or on the management of records in particular program areas. NARA evaluations may be of one agency or may be multi-agency. These evaluations may be conducted solely within headquarters offices, only at field locations, or at a combination of field sites and headquarters.

(c) Evaluations will involve site visits by NARA; submission by NARA to the agency of a written report containing findings, analyses, and recommendations; and submission to NARA by the agency of an action plan for implementing the recommendations followed by regular progress reports. Interagency report control number 0153-NARA-AR has been assigned to the action plan and progress reports in accordance with GSA regulations in Title 41 of the CFR.

§ 1220.54 Evaluation process.

(a) NARA shall select Federal agencies to be evaluated on the basis of perceived need by NARA or specific request by the agency, or on the basis of a compliance monitoring cycle developed by NARA. NARA will determine the scope of the evaluation. An agency may request an evaluation of its records management program by contacting the Director, Life Cycle Management Division; however, the final determination of agencies to be evaluated will be made by NARA. The heads of agencies will be notified in writing by the Archivist of the United States of the intent to conduct an evaluation and the scope of the evaluation at least 180 calendar days prior to initiating the evaluation.

(b) Once NARA has notified the agency, the agency head will, by the date specified in the Archivist's letter:

(1) Acknowledge in writing NARA's intention to evaluate, and provide the Archivist with the name and telephone

number of the senior official with overall responsibility for records management and of a headquarters official who will work with NARA to facilitate the evaluation process;

(2) Provide written notification of the evaluation to all appropriate offices and employees and contractors potentially involved; this notification will include instructions to cooperate with NARA by setting up interviews, providing requested information, and making records available for inspection;

(3) Provide NARA with a copy of the written notification in paragraph (b)(2) of this section and with a list of names and telephone numbers of officials responsible for records management in field sites, if applicable, who will work with NARA during the evaluation;

(4) For comprehensive evaluations, provide NARA with a set of internal records management directives, orders, bulletins, or similar authoritative issuances; copies of the two most recent internal records management evaluations; and any special records-related reports. Included may be: issuances relating to adequate and proper documentation and record-keeping requirements; personal papers; management and disposition of textual, electronic, audiovisual, cartographic and architectural, micrographic, and vital records; disaster mitigation and recovery; and any other records-related documentation requested by NARA. A subset of this documentation will be requested for more limited evaluations;

(5) Provide NARA with a current version of the agency manual(s) covering records creation, maintenance, storage, and disposition, and a list of information systems maintained as required by OMB Circular A-130, section 9a(5), and a list of offices and/or functions and activities not currently covered by schedules;

(6) Arrange for appropriate management and program officials in headquarters and, if applicable, at field sites to be briefed by NARA at the beginning and at the end of the evaluation process; and

(7) Take immediate corrective action regarding any serious problems that

NARA may bring to the agency's attention during the course of the evaluation process such as the unauthorized destruction of records or the unauthorized donation or other transfer of records to non-NARA facilities.

§ 1220.56 Evaluation report.

(a) NARA will submit a draft evaluation report for factual review and comment to the agency within 120 calendar days of the last evaluation site visit or exit briefing. After receipt of agency comments, NARA will finalize the report, incorporating any changes resulting from factual errors identified by the agency. The final report will be transmitted by the Archivist to the head of the agency within 30 calendar days of receiving comments from the agency.

(b) The head of the agency will:

(1) Comment within 60 calendar days, in writing, on the contents of the draft report. If necessary, agencies can request extensions. No response from the agency within the allotted time will indicate that the agency concurs in the factual accuracy of the draft report.

(2) Review the final report and assign implementation responsibility; and

(3) Distribute the final report to all concerned and appropriate persons and offices.

§ 1220.58 Agency action plans and progress reports.

(a) *Action plans.* (1) The action plan will be submitted to NARA within 90 calendar days after the date of transmittal of the final report. If necessary, agencies can request extensions. The plan shall be submitted by the agency head or the designated senior official for information resources management. The action plan will include:

(i) The name of the senior official and the office responsible for coordinating implementation agency-wide;

(ii) The specific action(s) the agency will take to implement each evaluation report recommendation. If an agency is unable to implement a recommendation, the rationale for not acting shall be documented in the action plan;

(iii) The name of the official and office or program responsible for the

overall coordination of the agency's followup actions who will be the liaison with NARA;

(iv) The estimated time needed to complete each action and the proposed quarter and year for starting and completing each action;

(v) Major milestones with dates for tracking the completion of implementation actions that are expected to extend longer than 3 years past the date of the action plan; and,

(vi) If requested by NARA, separate action plans for each field site visited, incorporating the information required by paragraphs (a)(1)(i) through (a)(1)(v) of this section.

(2) NARA will analyze the action plan(s) submitted by the agency for adequacy and effectiveness in implementing the recommendations contained in the evaluation report. NARA will provide comments to the agency on the plan(s) within 60 calendar days.

(3) The agency will revise the action plan until it is approved by NARA.

(b) *Progress reports.* (1) Once the action plan(s) has been approved by NARA, the head of the agency will submit progress reports to NARA every 6 months. The reports will include:

(i) A description of what has been accomplished on each action since the last report;

(ii) The current status of the action;

(iii) Any changes in the offices or programs responsible for over-all or specific action implementation; and,

(iv) If appropriate, explanation of any delays in implementation and revised target dates and milestones for completion of the action.

(2) The agency will continue to submit these progress reports until NARA and the agency agree all actions have been completed, NARA and the agency agree that the agency has implemented the recommendation(s) to the fullest extent possible, or NARA indicates in writing that regular progress reports are no longer required.

(3) NARA will review and comment on agency progress reports, and work closely with the agency to provide assistance in evaluation implementation.
