

§ 1228.274

36 CFR Ch. XII (7-1-08 Edition)

records scheduled for immediate transfer on an SF 115 approved after September 30, 1987. NARA will send the SF 258 to the agency with the approved SF 115. The agency will sign and return the SF 258 to the address indicated on the form.

(2) *Future transfers of series in agency space.* Sixty days before the scheduled date of transfer to the National Archives of the United States, the transferring agency must submit an SF 258 to the Office of Records Services—Washington, DC (NWMD), 8601 Adelphi Road, College Park, MD 20740-6001, or to the appropriate Regional Records Services facility if so provided on the SF 115. NARA will determine whether specified restrictions are acceptable and whether adequate space and equipment are available.

(3) *Future transfers of series in Federal Records Centers.* NARA will initiate the SF 258 and send it to the agency 90 days before the scheduled transfer date. The agency shall approve or disapprove the SF 258 and send it to the address indicated on the form 60 days before the scheduled transfer date.

(c) *Physical and legal transfer.* The Office of Records Services—Washington, DC (NWMD), will provide shipping or delivery instructions to the agency or Federal Records Center. Legal custody of the records passes to NARA when the NARA official signs the SF 258 acknowledging receipt of the records.

§ 1228.274 Restrictions on transferred records.

(a) *General.* Before records are transferred to the National Archives, the head of an agency may state in writing restrictions that appear to him or her to be necessary or desirable in the public interest on the use or examination of records. The head of an agency must, however, justify and cite the statute or Freedom of Information Act exemption (5 U.S.C. 552(b)) that authorizes placing restrictions on the use or examination of records being considered for transfer. If the Archivist agrees, restrictions will be placed on the records.

(b) *Records less than 30 years old.* Unless required by law, the Archivist will not remove or relax restrictions placed upon records less than 30 years old without the concurrence in writing of the head of the agency from which the material was transferred or of his or her successor, if any. If the transferring agency has been terminated and there is no successor in function, the Archivist is authorized to relax, remove or impose restrictions in the public interest.

(c) *Records 30 or more years old.* After the records have been in existence for 30 years or more, statutory or other restrictions referred to in this section shall expire unless the Archivist determines, after consulting with the head of the transferring agency, that the restrictions shall remain in force for a longer period. Such restrictions may be extended by the Archivist beyond 30 years only for reasons consistent with standards established in relevant statutory law, including the Freedom of Information Act (5 U.S.C. 552). Restrictions are systematically extended beyond 30 years where agencies advise NARA on the SF 258 that a particular category of records requires such protection. NARA has identified specific categories of records, including classified information and information that would invade the privacy of an individual, which may require extended protection beyond 30 years. See 36 CFR part 1256.

§ 1228.276 Records subject to the Privacy Act of 1974.

For records constituting systems of records subject to the Privacy Act of 1974 (5 U.S.C. 552a), the agency shall attach to the SF 258 the most recent agency Privacy Act system notice covering the records.
