

Forest Service, USDA

§212.5

§212.2 Forest transportation program.

(a) *Travel management atlas.* For each administrative unit of the National Forest System, the responsible official must develop and maintain a travel management atlas, which is to be available to the public at the headquarters of that administrative unit.

(b) *Forest transportation atlas.* A forest transportation atlas may be updated to reflect new information on the existence and condition of roads, trails, and airfields of the administrative unit. A forest transportation atlas does not contain inventories of temporary roads, which are tracked by the project or activity authorizing the temporary road. The content and maintenance requirements for a forest transportation atlas are identified in the Forest Service directives system.

(c) *Program of work for the forest transportation system.* A program of work for the forest transportation system shall be developed each fiscal year in accordance with procedures prescribed by the Chief.

(d) A program of work for the forest transportation system shall be developed each fiscal year in accordance with procedures prescribed by the Chief.

§212.3 Cooperative work.

(a) Cooperative agreements for all projects which involve financial contributions from cooperators shall be negotiated, approved, and executed in accordance with procedures prescribed by the Chief.

(b) Cooperative funds contributed in advance shall be deposited in the United States Treasury to the credit of the Forest Service Cooperative Fund authorized by the Act of June 30, 1914 (38 Stat. 430), as amended; 16 U.S.C. 498, or the Act of March 3, 1925 (43 Stat. 1132), as amended; 16 U.S.C. 572, which deposits will be made available for expenditure from the appropriation "Cooperative Work, Forest Service." If a State, county or other governmental agency is unable to contribute funds under the Act of March 3, 1925, as amended, in advance but is able to pay

its share subsequent to performance of the work, the subsequent payment of such funds will be deposited to the credit of the Forest Service appropriation from which the expenditures were made or to appropriations for similar purposes currently available at the time of deposit.

§212.4 Construction and maintenance.

(a) Construction and maintenance work on forest transportation facilities with appropriated funds shall be directed to what is necessary and economically justified for protection, administration, development, and multiple-use management of the federally owned lands and resources served.

(b) Preliminary engineering and the construction and maintenance of forest transportation facilities shall be performed by force account or let to contract, unless otherwise approved by the Chief. The contract method shall be employed for roads and trails in accordance with section 205(c) of the Act of August 27, 1958 (72 Stat. 907); 23 U.S.C. 205, and for all other facilities when it is advantageous and in the interest of the Government.

(c) No construction work shall be started by force account or let to contract until all necessary rights of way have been secured, and approved by the Attorney General, if required, and cooperative agreements, if any, approved and executed.

[24 FR 10256, Dec. 18, 1959, as amended at 25 FR 6360, July 7, 1960. Redesignated at 62 FR 58654, Oct. 30, 1997; 66 FR 3216, Jan. 12, 2001]

§212.5 Road system management.

(a) *Traffic rules.* Rules set forth under 36 CFR part 261 and this section shall apply to all National Forest System roads under the jurisdiction of the Forest Service except when in conflict with written agreement.

(1) *General.* Traffic on roads is subject to State traffic laws where applicable except when in conflict with designations established under subpart B of this part or with the rules at 36 CFR part 261.
