

§216.5

(1) Direct written or oral communication with those known to be interested in the proposal;

(2) The degree to which the proposal is likely to adversely or beneficially affect the general public as well as those known to be interested in the proposal;

(3) The amount of change the proposal represents from current direction;

(4) The extent of recent news media coverage on subjects related to the proposal; and

(5) The amount of interest or controversy expressed on previous proposals on the same or similar subjects.

§216.5 Documentation.

The responsible Forest Service official shall document the results of the determination made pursuant to §216.4(b), and the reasons therefor, in a concise written summary. The summary may be combined with documentation required by NEPA procedures or other applicable law or policy. The summary shall be prepared and filed at the same location as the Forest Service official responsible for developing the Manual directive.

§216.6 Notice and comment procedures for proposed Manual directives identified for formal public review.

(a) Where it is determined that substantial public interest or controversy concerning a proposed Manual directive can be expected, the following minimum requirements for notifying the public and giving opportunity to comment on the proposal apply:

(1) *National Forest and Ranger District Proposals.* The responsible official shall determine appropriate means of notifying the public. This may include, but is not limited to, legal notice in a newspaper of general circulation or press release. The public shall have a minimum of 30 calendar days to review and comment on the proposal.

(2) *Regional, Station, and Area Proposals.* The responsible official shall determine appropriate means of notifying the public. This may include, but is not limited to, notice and summary of the proposal in the FEDERAL REGISTER, legal notice in one or more newspapers of general circulation, or press release.

36 CFR Ch. II (7-1-08 Edition)

The public shall have a minimum of 30 calendar days to review and comment on the proposal.

(3) *National Proposals.* The responsible official shall publish a notice and summary of the proposal in the FEDERAL REGISTER, followed by a minimum of 60 calendar days for public review and comment.

(b) Agency officials will give direct notice to Federal, State, and local governments and to the public known to be interested in the proposal. Along with the notice, the responsible official shall also provide either a complete proposal or a summary of the proposal for review.

(c) The responsible Forest Service official may conduct additional public participation activities related to the proposed Manual directive as are deemed appropriate and necessary.

(d) Comments received from the public shall be analyzed and considered in the formulation and preparation of the final Manual directive.

(e) The final Manual directive or a summary shall be sent to those who offered comments on the proposed directive and further publicized as deemed appropriate by the responsible official.

§216.7 Exemption of proposed Manual directives from normal procedures.

When it is found for good cause that an exigency exists, an interim Manual directive that is determined to be of substantial public interest or expected controversy may be issued in advance of providing opportunity for public comment. However, as soon as practicable after issuance, the interim Manual directive will be made available for public review and comment as described in §216.6. In making the Manual directive available, the responsible official shall state why the interim directive was issued prior to obtaining public comments.

§216.8 Availability of proposed Manual directives identified for formal public review.

As a minimum, review copies of proposed Manual directives determined to be of substantial public interest or expected controversy shall be available in the Forest Supervisor's Office and

Forest Service, USDA

§218.2

District Rangers' Offices when National Forest proposals are involved; in the Regional Office and Forest Supervisors' Offices when regional proposals are involved; and in Regional Offices and National Headquarters when national proposals are involved. When Manual directives involve Forest Service Research or State and Private Forestry programs, review copies shall be available at comparable administrative offices.

Subpart B [Reserved]

AUTHORITY: Pub. L. 108-148, 117 Stat 1887 (Healthy Forests Restoration Act of 2003).

SOURCE: 69 FR 1533, Jan. 9, 2004, unless otherwise noted.

§218.1 Purpose and scope.

This subpart establishes a predecisional administrative review (hereinafter referred to as "objection") process for proposed authorized hazardous fuel reduction projects as defined in the Healthy Forests Restoration Act of 2003 (HFRA). The objection process is the sole means by which administrative review of a proposed authorized hazardous fuel reduction

project on National Forest System land may be sought. This subpart identifies who may file objections to those proposed authorized hazardous fuel reduction projects, the responsibilities of the participants in an objection, and the procedures that apply for review of the objection.

§218.2 Definitions.

Address—An individual's or organization's current physical mailing address. An e-mail address is not sufficient.

Authorized hazardous fuel reduction project—A hazardous fuel reduction project authorized by the HFRA.

Comments—Specific written comments related to a proposed authorized hazardous fuel reduction project pursuant to the HFRA.

Decision Notice (DN)—A concise written record of a Responsible Official's decision based on an environmental assessment and a finding of no significant impact (FONSI) (40 CFR 1508.13; FSH 1909.15, Chapter 40).

Environmental Assessment (EA)—A public document that provides sufficient evidence and analysis for determining whether to prepare an environmental impact statement (EIS) or a finding of no significant impact, aids an agency's compliance with the National Environmental Policy Act (NEPA) when no EIS is necessary, and facilitates preparation of a statement when one is necessary (40 CFR 1508.9; FSH 1909.15, Chapter 40).

Environmental Impact Statement (EIS)—A detailed written statement as required by section 102(2)(C) of the National Environmental Policy Act of 1969 (40 CFR 1508.11; FSH 1909.15, Chapter 20).

Forest Service line officer—A Forest Service official who serves in a direct line of command from the Chief and who has the delegated authority to make and execute decisions approving hazardous fuel reduction projects subject to this subpart.

Lead objector—For objections submitted with multiple individuals and/or organizations listed, the individual or organization identified to represent all other objectors for the purposes of communication, written or otherwise, regarding the objection.
