Subpart A—General Provisions

SOURCE: 67 FR 30563, May 7, 2002, unless otherwise noted.

§ 242.1 Purpose.

The regulations in this part implement the Federal Subsistence Management Program on public lands within the State of Alaska.

§ 242.2 Authority.

The Secretary of the Interior and Secretary of Agriculture issue the regulations in this part pursuant to authority vested in Title VIII of the Alaska National Interest Lands Conservation Act (ANILCA), 16 U.S.C. 3101–3126.

§ 242.3 Applicability and scope.

(a) The regulations in this part implement the provisions of Title VIII or ANILCA relevant to the taking of fish and wildlife on public land in the State of Alaska. The regulations in this part do not permit subsistence uses in Glacier Bay National Park, Kenai Fjords National Park, Katmai National Park, and that portion of Denali National Park established as Mt. McKinley National Park prior to passage of ANILCA, where subsistence taking and uses are prohibited. The regulations in this part do not supersede agency-specific regulations.

§ 242.4 Definitions.

The following definitions apply to all regulations contained in this part:

Agency means a subunit of a cabinet-level Department of the Federal Government having land management authority over the public lands including, but not limited to, the U.S. Fish & Wildlife Service, Bureau of Indian Affairs, Bureau of Land Management, National Park Service, and USDA Forest Service.

ANILCA means the Alaska National Interest Lands Conservation Act, Public Law 96-487, 94 Stat. 2371, (codified, as amended, in scattered sections of 16 U.S.C. and 43 U.S.C.)

Area, District, Subdistrict, and Section mean one of the geographical areas defined in the codified Alaska Department of Fish and Game regulations found in Title 5 of the Alaska Administrative Code.

Barter means the exchange of fish or wildlife or their parts taken for subsistence uses; for other fish, wildlife or their parts; or, for other food or for nonedible items other than money, if the exchange is of a limited and non-commercial nature.

Board means the Federal Subsistence Board as described in § 242.10.

Commissions means the Subsistence Resource Commissions established pursuant to section 808 of ANILCA.

Conservation of healthy populations of fish and wildlife means the maintenance of fish and wildlife resources and their habitats in a condition that assures stable and continuing natural populations and species mix of plants and animals in relation to their ecosystem,

including the recognition that local rural residents engaged in subsistence uses may be a natural part of that ecosystem; minimizes the likelihood of irreversible or long-term adverse effects upon such populations and species; ensures the maximum practicable diversity of options for the future; and recognizes that the policies and legal authorities of the managing agencies will determine the nature and degree of management programs affecting ecological relationships, population dynamics, and the manipulation of the components of the ecosystem.

Customary trade means exchange for cash of fish and wildlife resources regulated in this part, not otherwise prohibited by Federal law or regulation, to support personal and family needs; and does not include trade which constitutes a significant commercial enterprise.

Customary and traditional use means a long-established, consistent pattern of use, incorporating beliefs and customs which have been transmitted from generation to generation. This use plays an important role in the economy of the community.

FACA means the Federal Advisory Committee Act, Public Law 92-463, 86 Stat. 770 (codified as amended, at 5 U.S.C. Appendix II, 1-15).

Family means all persons related by blood, marriage, or adoption or any other person living within the household on a permanent basis.

Federal Advisory Committees or *Federal Advisory Committee* means the Federal Local Advisory Committees as described in § 242.12.

Federal lands means lands and waters and interests therein the title to which is in the United States, including navigable and non-navigable waters in which the United States has reserved water rights.

Fish and wildlife means any member of the animal kingdom, including without limitation any mammal, fish, bird (including any migratory, nonmigratory, or endangered bird for which protection is also afforded by treaty or other international agreement), amphibian, reptile, mollusk, crustacean, arthropod, or other invertebrate, and
