§ 261.2 Definitions.

For purposes of this part, the following definitions shall apply:

Aggregate Tuning Hours mean the total hours of programming that the Licensee has transmitted over the Internet during the relevant period to all end users within the United States from all channels and stations that provide audio programming consisting, in whole or in part, of eligible nonsubscription transmissions. By way of example, if a service transmitted one hour of programming to 10 simultaneous listeners, the service's Aggregate Tuning Hours would equal 10.
