**§ 20.1303 Rule 1303. Nonprecedential nature of Board decisions.**

Although the Board strives for consistency in issuing its decisions, previously issued Board decisions will be considered binding only with regard to the specific case decided. Prior decisions in other appeals may be considered in a case to the extent that they reasonably relate to the case, but each case presented to the Board will be decided on the basis of the individual facts of the case in light of applicable procedure and substantive law.

**§ 20.1304 Rule 1304. Request for change in representation, request for personal hearing, or submission of additional evidence following certification of an appeal to the Board of Veterans' Appeals.**

(a) *Request for a change in representation, request for a personal hearing, or submission of additional evidence within 90 days following notification of certification and transfer of records.* An appellant and his or her representative, if any, will be granted a period of 90 days following the mailing of notice to them that an appeal has been certified to the Board for appellate review and that the appellate record has been transferred to the Board, or until the date the appellate decision is promulgated by the Board of Veterans' Appeals, whichever comes first, during which they may submit a request for a personal hearing, additional evidence, or a request for a change in representation. Any such request or additional evidence must be submitted directly to the Board and not to the agency of original jurisdiction. The date of mailing of the letter of notification will be presumed to be the same as the date of that letter for purposes of determining whether the request was timely made or the evidence was timely submitted. Any evidence which is submitted at a hear-

ing on appeal which was requested during such period will be considered to have been received during such period, even though the hearing may be held following the expiration of the period. Any pertinent evidence submitted by the appellant or representative is subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(b) *Subsequent request for a change in representation, request for a personal hearing, or submission of additional evidence—(1) General rule.* Subject to the exception in paragraph (b)(2) of this section, following the expiration of the period described in paragraph (a) of this section, the Board of Veterans' Appeals will not accept a request for a change in representation, a request for a personal hearing, or additional evidence except when the appellant demonstrates on motion that there was good cause for the delay. Examples of good cause include, but are not limited to, illness of the appellant or the representative which precluded action during the period; death of an individual representative; illness or incapacity of an individual representative which renders it impractical for an appellant to continue with him or her as representative; withdrawal of an individual representative; the discovery of evidence that was not available prior to the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon
