

**§ 21.7075 Entitlement to tuition assistance top-up.**

An individual who is entitled to educational assistance under 38 U.S.C. chapter 30 is also entitled to 36 months of tuition assistance top-up. This entitlement is parallel to, and does not replace, the entitlement to educational assistance available under § 21.7072. If the individual receives tuition assistance top-up, VA will make a charge against both the entitlement under § 21.7072 and the entitlement under this section. The charge will be as described in § 21.7076(b)(10).

**§ 21.7076 Entitlement charges.**

(a) *Overview.* VA will make charges against entitlement as stated in this section.

(1) Charges will be made against the entitlement the veteran or servicemember has to educational assistance under 38 U.S.C. chapter 30 as the assistance is paid.

(2) There will be a charge (for record purposes only) against the remaining entitlement, under 38 U.S.C. chapter 34, of an individual who is receiving the educational assistance under § 21.7137 of this part. The record-purpose charges against entitlement under 38 U.S.C. chapter 34 will not count against the 48 months of total entitlement under both 38 U.S.C. chapters 30 and 34 to which the veteran or servicemember may be entitled. (*See* § 21.4020(a) of this part).

(3) Generally, VA will base those entitlement charges on the principle that a veteran or servicemember who trains full time for one day should be charged one day of entitlement. However, this general principle does not apply to a veteran or servicemember who:

- (i) Is pursuing correspondence training;
- (ii) Is pursuing flight training;
- (iii) Is pursuing an apprenticeship or other on-job training;
- (iv) Is paid an accelerated payment;
- (v) Is receiving educational assistance for taking an approved licensing or certification test; or
- (vi) Is receiving tuition assistance top-up.

(4) The provisions of this section apply to:

- (i) Veterans and servicemembers training under 38 U.S.C. chapter 30; and
- (ii) Veterans training under 38 U.S.C. chapter 31 who make a valid election under § 21.21 of this part to receive educational assistance equivalent to that paid to veterans under 38 U.S.C. chapter 30.

(b) *Determining entitlement charge.* This paragraph states how VA generally will determine the charge against the entitlement of a servicemember or veteran who is receiving educational assistance. However, when the circumstances described in paragraph (e) apply to a servicemember or veteran, VA will use that paragraph to determine an entitlement charge instead of this paragraph.

(1) Except for those pursuing correspondence training, flight training, apprenticeship or other on-job training; those receiving tuition assistance top-up; those receiving educational assistance for taking an approved licensing or certification test; those receiving tutorial assistance; and those receiving an accelerated payment, VA will make a charge against entitlement:

(i) On the basis of total elapsed time (one day for each day of pursuit) if the servicemember or veteran is pursuing the program of education on a full-time basis,

(ii) On the basis of a proportionate rate of elapsed time, if the veteran or servicemember is pursuing the program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.

(2) VA will compute elapsed time from the commencing date of the award to date of discontinuance. If the veteran or servicemember changes his or her training time after the commencing date of the award, VA will—

- (i) Divide the enrollment period into separate periods of time during which
