UNDERWRITING STANDARDS, PROCESSING PROCEDURES, AND LENDER RESPONSIBILITY AND CERTIFICATION

§ 36.4337 Underwriting standards, processing procedures, lender responsibility, and lender certification.

(a) *Use of standards.* The standards contained in paragraphs (c) through (j) of this section will be used to determine whether the veteran's present and anticipated income and expenses, and credit history are satisfactory. These standards do not apply to loans guaranteed pursuant to 38 U.S.C. 3710(a)(8) except for cases where the Secretary is required to approve the loan in advance under § 36.4306a.

(Authority: 38 U.S.C. 3703, 3710)

(b) *Waiver of standards.* Use of the standards in paragraphs (c) through (j) of this section for underwriting home

loans will be waived only in extraordinary circumstances when the Secretary determines, considering the totality of circumstances, that the veteran is a satisfactory credit risk.

(c) *Methods.* The two primary underwriting tools that will be used in determining the adequacy of the veteran's present and anticipated income are debt-to-income ratio and residual income analysis. They are described in paragraphs (d) through (f) of this section. Ordinarily, to qualify for a loan, the veteran must meet both standards. Failure to meet one standard, however, will not automatically disqualify a veteran. The following shall apply to cases where a veteran does not meet both standards:

(1) If the debt-to-income ratio is 41 percent or less, and the veteran does not meet the residual income standard, the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(2) If the debt-to-income ratio is greater than 41 percent (unless it is larger due solely to the existence of tax-free income which should be noted in the loan file), the loan may be approved with justification, by the underwriter's supervisor, as set out in paragraph (c)(4) of this section.

(3) If the ratio is greater than 41 percent and the residual income exceeds the guidelines by at least 20 percent, the second level review and statement of justification are not required.

(4) In any case described by paragraphs (c)(1) and (c)(2) of this section, the lender must fully justify the decision to approve the loan or submit the loan to the Secretary for prior approval in writing. The lender's statement must not be perfunctory, but should address the specific compensating factors, as set forth in paragraph (c)(5) of this section, justifying the approval of the loan. The statement must be signed by the underwriter's supervisor. It must be stressed that the statute requires not only consideration of a veteran's present and anticipated income and expenses, but also that the veteran be a satisfactory credit risk. Therefore, meeting both the debt-to-income ratio and residual income standards does not mean that
