§ 38.621 Disinterments.

(a) Interments of eligible decedents in national cemeteries are considered permanent and final. Disinterment will be permitted only for cogent reasons and with the prior written authorization of the National Cemetery Area Office Director or Cemetery Director responsible for the cemetery involved. Disinterment from a national cemetery will be approved only when all living immediate family members of the decedent, and the person who initiated the interment (whether or not he or she is a member of the immediate family), give their written consent, or when a court order or State instrumentality of competent jurisdiction directs the disinterment. For purposes of this section, “immediate family members” are defined as surviving spouse, whether or not he or she is remarried; all adult children of the decedent; the appointed guardian(s) of minor children; and the appointed guardian(s) of the surviving spouse or of the adult child(ren) of the decedent. If the surviving spouse and all of the children of the decedent are deceased, the decedent’s parents will be considered “immediate family members.”

(b) All requests for authority to disinter remains will be submitted on VA Form 40-4970, Request for Disinterment, and will include the following information:

(1) A full statement of reasons for the proposed disinterment.

(2) Notarized statement(s) by all living immediate family members of the decedent, and the person who initiated the interment (whether or not he or she is a member of the immediate fam-

ily), that they consent to the proposed disinterment.

(3) A notarized statement, by the person requesting the disinterment that those who supplied affidavits comprise all the living immediate family members of the deceased.

(Authority: 38 U.S.C. 2404)

(c) In lieu of the documents required in paragraph (b) of this section, an order of a court of competent jurisdiction will be considered.

(d) Any disinterment that may be authorized under this section must be accomplished without expense to the Government.

(The reporting and recordkeeping requirements contained in paragraph (b) have been approved by the Office of Management and Budget under OMB control number 2900-0365)

§ 38.629 Outer Burial Receptacle Allowance.

(a) *Definitions—Outer burial receptacle.* For purposes of this section, an outer burial receptacle means a graveliner, burial vault, or other similar type of container for a casket.

(b) *Purpose.* This section provides for payment of a monetary allowance for an outer burial receptacle for any interment in a VA national cemetery where a privately-purchased outer burial receptacle has been used in lieu of a Government-furnished graveliner.

(c) *Second interments.* In burials where a casket already exists in a grave with or without a graveliner, placement of a second casket in an outer burial receptacle will not be permitted in the same grave unless the national cemetery director determines that the already interred casket will not be damaged.

(d) *Payment of monetary allowance.* VA will pay a monetary allowance for each burial in a VA national cemetery where a privately-purchased outer burial receptacle was used on and after October 9, 1996. For burials on and after January 1, 2000, the person identified in records contained in the National Cemetery Administration Burial Operations Support System as the person who privately purchased the outer burial receptacle will be paid the monetary allowance. For burials during the period October 9, 1996 through December 31, 1999, the allowance will be paid

to the person identified as the next of kin in records contained in the National Cemetery Administration Burial Operations Support System based on the presumption that such person privately purchased the outer burial receptacle (however, if a person who is not listed as the next of kin provides evidence that he or she privately purchased the outer burial receptacle, the allowance will be paid instead to that person). No application is required to receive payment of a monetary allowance.

(e) *Amount of the allowance.* (1) For calendar year 2000 and each calendar year thereafter, the allowance will be the average cost, as determined by VA, of Government-furnished graveliners, less the administrative costs incurred by VA in processing and paying the allowance.

(i) The average cost of Government-furnished graveliners will be based upon the actual average cost to the Government of such graveliners during the most recent fiscal year ending prior to the start of the calendar year for which the amount of the allowance will be used. This average cost will be determined by taking VA's total cost during that fiscal year for single-depth graveliners which were procured for placement at the time of interment and dividing it by the total number of such graveliners procured by VA during that fiscal year. The calculation shall exclude both graveliners procured and pre-placed in gravesites as part of cemetery gravesite development projects and all double-depth graveliners.

(ii) The administrative costs incurred by VA will consist of those costs that relate to processing and paying an allowance, as determined by VA, for the calendar year ending prior to the start of the calendar year for which the amount of the allowance will be used.

(2) For calendar year 2000 and each calendar year thereafter, the amount of the allowance for each calendar year will be published in the "Notices" section of the FEDERAL REGISTER. The FEDERAL REGISTER notice will also provide, as information, the determined average cost of Government-furnished graveliners and the determined amount

of the administrative costs to be deducted.

(3) The published allowance amount for interments which occur during calendar year 2000 will also be used for payment of any allowances for interments which occurred during the period from October 9, 1996 through December 31, 1999.

(c) *Memorial headstones or markers.* VA will furnish, when requested, a *memorial* headstone or marker to commemorate an eligible individual whose remains are unavailable. A Government memorial headstone or marker for placement in a national cemetery will be of the standard design authorized for the cemetery in which it will be placed. In addition to the authorized inscription on a Government memorial headstone or marker, the phrase "In Memory Of" is mandatory.
