

§51.160

(3) Another physician supervises the medical care of residents when their primary physician is unavailable.

(b) *Physician visits.* The physician must—

(1) Review the resident’s total program of care, including medications and treatments, at each visit required by paragraph (c) of this section;

(2) Write, sign, and date progress notes at each visit; and

(3) Sign and date all orders.

(c) *Frequency of physician visits.* (1) The resident must be seen by the primary physician at least once every 30 days for the first 90 days after admission, and at least once every 60 days thereafter, or more frequently based on the condition of the resident.

(2) A physician visit is considered timely if it occurs not later than 10 days after the date the visit was required.

(3) Except as provided in paragraphs (c)(4) of this section, all required physician visits must be made by the physician personally.

(4) At the option of the physician, required visits in the facility after the initial visit may alternate between personal visits by the physician and visits by a physician assistant, nurse practitioner, or clinical nurse specialist in accordance with paragraph (e) of this section.

(d) *Availability of physicians for emergency care.* The facility management must provide or arrange for the provision of physician services 24 hours a day, 7 days per week, in case of an emergency.

(e) *Physician delegation of tasks.* (1) Except as specified in paragraph (e)(2) of this section, a primary physician may delegate tasks to:

(i) a certified physician assistant or a certified nurse practitioner, or

(ii) a clinical nurse specialist who—

(A) Is acting within the scope of practice as defined by State law; and

(B) Is under the supervision of the physician.

NOTE TO PARAGRAPH (e): An individual with experience in long term care is preferred.

(2) The primary physician may not delegate a task when the regulations specify that the primary physician must perform it personally, or when the delegation is prohibited under

38 CFR Ch. I (7–1–08 Edition)

State law or by the facility’s own policies.

(Authority: 38 U.S.C. 101, 501, 1710, 1741–1743)

§51.160 Specialized rehabilitative services.

(a) *Provision of services.* If specialized rehabilitative services such as but not limited to physical therapy, speech therapy, occupational therapy, and mental health services for mental illness are required in the resident’s comprehensive plan of care, facility management must—

(1) Provide the required services; or

(2) Obtain the required services from an outside resource, in accordance with §51.210(h) of this part, from a provider of specialized rehabilitative services.

(b) Specialized rehabilitative services must be provided under the written order of a physician by qualified personnel.

(Authority: 38 U.S.C. 101, 501, 1710, 1741–1743)

§51.170 Dental services.

(a) A facility must provide or obtain from an outside resource, in accordance with §51.210(h) of this part, routine and emergency dental services to meet the needs of each resident;

(b) A facility may charge a resident an additional amount for routine and emergency dental services; and

(c) A facility must, if necessary, assist the resident—

(1) In making appointments;

(2) By arranging for transportation to and from the dental services; and

(3) Promptly refer residents with lost or damaged dentures to a dentist.

(Authority: 38 U.S.C. 101, 501, 1710, 1741–1743)

§51.180 Pharmacy services.

The facility management must provide routine and emergency drugs and biologicals to its residents, or obtain them under an agreement described in §51.210(h) of this part. The facility management must have a system for disseminating drug information to medical and nursing staff.

(a) *Procedures.* The facility management must provide pharmaceutical services (including procedures that assure the accurate acquiring, receiving, dispensing, and administering of all
