verification for purposes of determining the participant's verification eligibility term.

(The Office of Management and Budget has approved the information collection provisions in this section under control number 2900-0675.)

§ 74.12 What must a concern submit to apply for VetBiz VIP Verification?

Each VetBiz VIP Verification applicant must submit the electronic forms and attachments CVE requires. All electronic forms are available on the VetBiz.gov Vendor Information Pages database Web pages. At the time the applicant dispatches the electronic forms, the applicant must also retain on file at the principal place of business a completed copy of the electronic forms supplemented by manual records that will be used in verification examinations. These forms and attachments will include, but not be limited to, financial statements, Federal personal and business tax returns, payroll records and personal history statements. An applicant must also retain in the application file IRS Form 4506, Request for Copy or Transcript of Tax Form. These materials shall be filed together to maximize efficiency of verification examination visits. Together with the electronic documents, these manual records will provide the CVE verification examiner with sufficient information to establish the management, control and operating status of the business on the date of submission.

§ 74.13 Can an applicant ask CVE to reconsider its initial decision to deny an application?

(a) An applicant may request that the Director, CVE, reconsider his or her decision to deny an application by filing a request for reconsideration with CVE within 30 days of receipt of CVE's denial decision. "Filing" means a document is received by CVE by 5:30 p.m., eastern time, on that day. Documents may be filed by hand delivery, mail, commercial carrier, or facsimile transmission. Hand delivery and other

means of delivery may not be practicable during certain periods due, for example, to security concerns or equipment failures. The filing party bears the risk that the delivery method chosen will not result in timely receipt at CVE.

(b) The Director, CVE, will issue a written decision within 30 days of receipt of the applicant's request. The Director, CVE, may either approve the application, deny it on the same grounds as the original decision, or deny it on other grounds. If denied, the Director, CVE, will explain why the applicant is not eligible for the VetBiz VIP Verification and give specific reasons for the denial.

(c) If the Director, CVE denies the application solely on issues not raised in the initial denial, the applicant may ask for reconsideration as if it were an initial denial.

(d) If CVE determines that a concern may not qualify as small, they may directly deny an application for VetBiz VIP Verification or may request a formal size determination from the U.S. Small Business Administration (SBA). A concern whose application is denied because it is other than a small business concern by CVE may request a formal size determination from the SBA Associate Administrator, Office of Government Contracting (ATTN: Director, Office of Size Standards), 409 3rd Street, SW., Washington, DC 20416. A favorable determination by SBA will enable the firm to immediately submit a new VetBiz VIP Verification.

(e) A denial decision that is based on the failure to meet any veteran or service-disabled veteran eligibility criteria is not subject to a request for reconsideration and is the final decision of CVE.

(f) Except as provided in paragraph (c) of this section, the decision on the request for reconsideration shall be final.

§ 74.14 Can an applicant reapply for admission to the VetBiz VIP Verification program?

A concern which has been denied eligibility for VetBiz VIP Verification program on the basis of ineligibility of veteran, service-disabled veteran or surviving spouse status may submit a

new application for admission to the program as soon as eligibility status is finalized. In cases in which the denial stemmed from ownership, control or size factors, the applicant may file as soon as identified issues have been corrected. Once an application and its appeal have been denied, the applicant will be required to wait for a period of 6 months before a new application will be considered.

§ 74.15 What length of time may a business participate in VetBiz VIP Verification?

(a) A participant receives an eligibility term of 1 year from the date of CVE's approval letter establishing verified status. The participant must maintain its eligibility during its tenure and must inform CVE of any changes that would adversely affect its eligibility. The eligibility term may be shortened by cancellation by CVE or voluntary withdrawal by the participant (*i.e.*, no longer eligible as a small business concern), as provided for in this subpart.

(b) When at least 50 percent of the assets of a concern are the same as those of an affiliated business, the concern will not be eligible for verification.

(c) CVE may initiate a verification examination whenever it receives credible information calling into the question a participant's eligibility as a VOSB. Upon its completion of the examination, CVE will issue a written decision regarding the continued eligibility status of the questioned participant.

(d) If CVE finds that the participant does not qualify as a VOSB, CVE will immediately remove the "verified" status of the firm from the VetBiz Vendor Information Pages database. CVE will call and mail the participant with specifics that led to the cancellation action. The participant may file a request for reconsideration of CVE's decision in accordance with § 74.13.

(e) If CVE finds that the participant continues to qualify as a VOSB, the program term remains in effect.

OVERSIGHT GUIDELINES

§ 74.20 What is a verification examination and what will CVE examine?

(a) *General.* A verification examination is an investigation by CVE officials, which verifies the accuracy of any statement or information provided as part of the VetBiz VIP Verification application process. Thus, examiners may verify that the concern currently meets the eligibility requirements, and that it met such requirements at the time of its application or its most recent size recertification. An examination may be conducted on a random basis, or upon receipt of specific and credible information alleging that a participant no longer meets eligibility requirements.

(b) *Scope of examination.* CVE may conduct the examination, or parts of the program examination, at one or all of the participant's offices. CVE will determine the location of the examination. Examiners may review any information related to the concern's eligibility requirements including, but not limited to, documentation related to the legal structure, ownership and control of the concern. As a minimum, examiners shall review all documents supporting the application, as described in § 74.12. These include: financial statements; Federal personal and business tax returns; personal history statements; and Request for Copy or Transcript of Tax Form (IRS Form 4506) for up to 3 years. Other documents, which may be reviewed include (if applicable): Articles of Incorporation/Organization; corporate by-laws or operating agreements; organizational, annual and board/member meeting records; stock ledgers and certificates; State-issued Certificates of Good Standing; contract, lease and loan agreements; payroll records; bank account signature cards; and licenses.

§ 74.21 What are the ways a business may exit VetBiz VIP Verification status?

A participant may:

(a) Voluntarily cancel its status by submitting a written request to CVE requesting that the "verified" status button be removed from the Vendor Information Pages database; or
