§ 64.710 Operator services for prison inmate phones.

(a) Each provider of inmate operator services shall:

(1) Identify itself and disclose, audibly and distinctly to the consumer, at no charge and before connecting any interstate, non-access code operator service call, how to obtain the total cost of the call, including any surcharge or premises-imposed-fee. The oral disclosure required in this paragraph shall instruct consumers that they may obtain applicable rate and surcharge quotations either, at the option of the provider of inmate operator services, by dialing no more than two digits or by remaining on the line. The phrase "total cost of the call," as used in this paragraph, means both the variable (duration-based) charges for the call and the total per-call charges, exclusive of taxes, that the carrier, or its billing agent, may collect from the consumer for the call. Such phrase shall include any per-call surcharge imposed by the correctional institution, unless it is subject to regulation itself as a common carrier for imposing such surcharges, if the contract between the carrier and the correctional institution prohibits both resale and

the use of pre-paid calling card arrangements.

(2) Permit the consumer to terminate the telephone call at no charge before the call is connected; and

(3) Disclose immediately to the consumer, upon request and at no charge to the consumer—

(i) The methods by which its rates or charges for the call will be collected; and

(ii) The methods by which complaints concerning such rates, charges or collection practices will be resolved.

(b) As used in this subpart:

(1) *Consumer* means the party to be billed for any interstate call from an inmate telephone;

(2) *Inmate telephone* means a telephone instrument set aside by authorities of a prison or other correctional institution for use by inmates.

(3) *Inmate operator services* means any interstate telecommunications service initiated from an inmate telephone that includes, as a component, any automatic or live assistance to a consumer to arrange for billing or completion, or both, of an interstate telephone call through a method other than:

(i) Automatic completion with billing to the telephone from which the call originated; or

(ii) Completion through an access code used by the consumer, with billing to an account previously established with the carrier by the consumer;

(4) *Provider of inmate operator services* means any common carrier that provides outbound interstate operator services from inmate telephones.

These rules shall apply to each communication common carrier subject to the whole or part of the Communications Act of 1934, as amended.

§ 64.803 Definitions.

For the purposes of this subpart:

(a) *Candidate* means an individual who seeks nomination for election, or election, to Federal office, whether or not such individual is elected, and an individual shall be deemed to seek nomination for election, or election, if he has (1) taken the action necessary under the law of a State to qualify himself for nomination for election, or election, to Federal office, or (2) received contributions or made expenditures, or has given his consent for any other person to receive contributions or make expenditures, with a view to bringing about his nomination for election, or election, to such office.

However, if the carrier chooses to extend such unsecured credit, it shall comply with the requirements set forth in paragraphs (b) through (g) of this section.

(b) If a carrier decides to extend unsecured credit to any candidate for Federal office or any person on behalf of such candidate, then unsecured credit shall be extended on substantially equal terms and conditions to all candidates and all persons on behalf of all candidates for the same office, with due regard for differences in the estimated quantity of service to be furnished each such candidate or person.

(c) Before extending unsecured credit, a carrier shall obtain a signed written application for service which shall identify the applicant and the candidate and state whether or not the candidate assumes responsibility for the charges, and which shall also expressly state as follows:

(1) That service is being requested by the applicant or applicants and that the person or persons making the application will be individually, jointly and severally liable for the payment of all charges; and

(2) That the applicant(s) understands that the carrier will (under the provisions of paragraph (d) of this section) discontinue service upon written notice if any amount due is not paid upon demand.

(d) If charges for services rendered are not paid to the carrier within 15 days from rendition of a bill therefor, the carrier shall forthwith at the end of the 15-day period serve written notice on the applicant of intent to discontinue service within 7 days of date
