Subpart A—General

§ 680.1 Purpose and scope.

Regulations in this part implement policies developed by the North Pacific Fishery Management Council and approved by the Secretary of Commerce in accordance with the Magnuson-Stevens Fishery Conservation and Management Act. In addition to part 600 of this chapter, these regulations implement the following:

(a) *Fishery Management Plan (FMP) for Bering Sea and Aleutian Islands King and Tanner Crabs.* Regulations in this part govern commercial fishing for, and processing of, king and Tanner crabs in the Bering Sea and Aleutian Islands Area pursuant to section 313(j) of the Magnuson-Stevens Act, including regulations implementing the Crab Rationalization Program for crab fisheries in the Bering Sea and Aleutian Islands Area, and supersede State of Alaska regulations applicable to the commercial king and Tanner crab fisheries in the Exclusive Economic Zone (EEZ) of the Bering Sea and Aleutian Islands Area that are determined to be inconsistent with the FMP.

(b) *License Limitation Program.* Commercial fishing for crab species not included in the Crab Rationalization Program for crab fisheries of the Bering Sea and Aleutian Islands Area remains subject to the License Limitation Program for the commercial crab fisheries in the Bering Sea and Aleutian Islands Area under part 679 of this chapter.

§ 680.2 Definitions.

In addition to the definitions in the Magnuson-Stevens Act, in 50 CFR part 600, and §679.2 of this chapter, the terms used in this part have the following meanings:

Adak community entity means the non-profit entity incorporated under the laws of the state of Alaska that represents the community of Adak and has a board of directors elected by the residents of Adak.

Affiliation means a relationship between two or more entities in which one directly or indirectly owns or controls a 10 percent or greater interest in, or otherwise controls, another, or a third entity directly or indirectly owns or controls a 10 percent or greater interest in, or otherwise controls, both. For the purpose of this definition, the following terms are further defined:

(1) *Entity.* An entity may be an individual, corporation, association, partnership, joint-stock company, trust, or any other type of legal entity, any receiver, trustee in bankruptcy or similar official or liquidating agent, or any organized group of persons whether incorporated or not, that holds direct or indirect interest in:

(i) Quota share (QS), processor quota share (PQS), individual fishing quota (IFQ), or individual processing quota (IPQ); or,

(ii) For purposes of the economic data report (EDR), a vessel or processing plant operating in CR fisheries.

(2) *Indirect interest.* An indirect interest is one that passes through one or more intermediate entities. An entity's percentage of indirect interest in a second entity is equal to the entity's percentage of direct interest in an intermediate entity multiplied by the intermediate entity's direct or indirect interest in the second entity.

(3) *Controls a 10 percent or greater interest.* An entity controls a 10 percent

or greater interest in a second entity if the first entity:

(i) Controls a 10 percent ownership share of the second entity, or

(ii) Controls 10 percent or more of the voting stock of the second entity.

(4) *Otherwise controls.* (i) A PQS or IPQ holder otherwise controls QS or IFQ, or a QS or IPQ holder, if it has:

(A) The right to direct, or does direct, the business of the entity which holds the QS or IFQ;

(B) The right in the ordinary course of business to limit the actions of or replace, or does limit or replace, the chief executive officer, a majority of the board of directors, any general partner or any person serving in a management capacity of the entity which holds the QS or IFQ;

(C) The right to direct, or does direct, the transfer of QS or IFQ;

(D) The right to restrict, or does restrict, the day-to-day business activities and management policies of the entity holding the QS or IFQ through loan covenants;

(E) The right to derive, or does derive, either directly, or through a minority shareholder or partner, and in favor of a PQS or IPQ holder, a significantly disproportionate amount of the economic benefit from the holding of QS or IFQ;

(F) The right to control, or does control, the management of, or to be a controlling factor in, the entity holding QS or IFQ;

(G) The right to cause, or does cause, the sale of QS or IFQ;

(H) Absorbs all of the costs and normal business risks associated with ownership and operation of the entity holding QS or IFQ; and

(I) Has the ability through any other means whatsoever to control the entity that holds QS or IFQ.

(ii) Other factors that may be indicators of control include, but are not limited to the following:

(A) If a PQS or IPQ holder or employee takes the leading role in establishing an entity that will hold QS or IFQ;

(B) If a PQS or IPQ holder has the right to preclude the holder of QS or IFQ from engaging in other business activities;
