

Food and Nutrition Service, USDA

§ 246.15

assessment of the appellant, if necessary.

(7) The cost of transporting participants to clinics when prior approval for using Program funds to provide transportation has been granted by the State agency and documentation that such service is considered essential to assure Program access has been filed at the State agency. Direct reimbursement to participants for transportation cost is not an allowable cost.

(8) The cost of monitoring and reviewing Program operations.

(9) The cost, exclusive of laboratory tests, of screening for drug and other harmful substance use and making referrals for counseling and treatment services.

(10) The cost of breastfeeding aids which directly support the initiation and continuation of breastfeeding.

(d) *Costs allowable with approval.* The costs of capital expenditures exceeding the dollar threshold established in Agency policy and guidance are allowable only with the approval of FNS prior to the capital investment. These expenditures include the costs of facilities, equipment (including medical equipment), automated data processing (ADP) projects, other capital assets, and any repairs that materially increase the value or useful life of such assets.

(e) *Use of funds recovered from vendors, participants, or local agencies.* (1) The State agency may keep funds collected through the recovery of claims assessed against vendors, participants, or local agencies. Recovered funds include those withheld from a vendor as a result of reviews of food instruments prior to payment. Recovered funds may be used for either food or NSA costs.

(2) These recovered funds may be used in the fiscal year:

(i) In which the initial obligation was made;

(ii) In which the claim arose;

(iii) In which the funds are collected;

or

(iv) after the funds are collected.

(3) The State agency may not credit any recoveries until:

(i) In the case of a vendor claim, the vendor has had the opportunity to correct or justify the error or apparent

overcharge in accordance with § 246.12(k)(3);

(ii) In the case of a participant, any administrative hearing requested in accordance with § 246.9 has been completed; or

(iii) In the case of a local agency claim, any administrative review requested in accordance with the local agency agreement has been completed.

(4) The State agency must report vendor, participant, and local agency recoveries to FNS through the normal reporting process;

(5) The State agency must keep documentation supporting the amount and use of these vendor, participant, and local agency recoveries.

§ 246.15 Program income other than grants.

(a) *Interest earned on advances.* Interest earned on advances of Program funds at the State and local levels shall be treated in accordance with the provisions of 31 CFR Part 205, which implement the requirements of the Cash Management Improvement Act of 1990. However, State agencies will not incur an interest liability to the Federal government on rebate funds for infant formula or other foods, *provided* that all interest earned on such funds is used for program purposes.

(b) *Other Program income.* The State agency may use current program income (applied in accordance with the addition method described in § 3016.25(g)(2) of this title) for costs incurred in the current fiscal year and, with the approval of FNS, for costs incurred in previous years or subsequent fiscal years. Provided that the costs supported by the income further the broad objectives of the Program, they need not be a kind that would be permissible as charges to Federal funds. Money received by the State agency as a result of civil money penalties or fines assessed against a vendor and any interest charged in the collection of

§ 246.16

7 CFR Ch. II (1-1-09 Edition)

these penalties and fines shall be considered as program income.

§ 246.16 Distribution of funds.

(a) *General.* This paragraph describes the timeframes for distribution of appropriated funds by the Department to participating State agencies and the authority for the Secretary to use appropriated funds for evaluation studies and demonstration projects.

(1) Authorized appropriations to carry out the provisions of this section may be made not more than 1 year in advance of the beginning of the fiscal year in which the funds shall become available for disbursement to the State agencies. The funds shall remain available for the purposes for which appropriated until expended.

(2) In the case of appropriations legislation providing funds through the end of a fiscal year, the Secretary shall issue to State agencies an initial allocation of funds provided under such legislation not later than the expiration of the 15-day period beginning on the date of the enactment and subsequent allocation of funds shall be issued not later than the beginning of each of the second, third and fourth quarters of the fiscal year.

(3) Allocations of funds pursuant to paragraph (a)(2) of this section shall be made as follows: The initial allocation of funds to State agencies shall include not less than $\frac{1}{3}$ of the appropriated amounts for the fiscal year. The allocation of funds to be made not later than the beginning of the second and third quarters shall each include not less than $\frac{1}{4}$ of the appropriated amounts for the fiscal year.

(4) In the case of legislation providing funds for a period that ends prior to the end of a fiscal year, the Secretary shall issue to State agencies an initial allocation of funds not later than the expiration of the 10-day period beginning on the date of enactment. In the case of legislation providing appropriations for a period of not more than 4 months, all funds must be allocated to State agencies except those reserved by the Secretary to carry out paragraph (a)(6) of this section.

(5) In any fiscal year unused amounts from a prior fiscal year that are identified by the end of the first quarter of the fiscal year shall be recovered and reallocated not later than the beginning of the second quarter of the fiscal year. Unused amounts from a prior fiscal year that are identified after the end of the first quarter of the fiscal year shall be recovered and reallocated on a timely basis.

(6) Up to one-half of one percent of the sums appropriated for each fiscal year, not to exceed \$5,000,000, shall be available to the Secretary for the purpose of evaluating Program performance, evaluating health benefits, providing technical assistance to improve State agency administrative systems, preparing reports on program participant characteristics, and administering pilot projects, including projects designed to meet the special needs of migrants, Indians, rural populations, and to carry out technical assistance and research evaluation projects for the WIC Farmers' Market Nutrition Program.

(b) *Distribution and application of grant funds to State agencies.* Notwithstanding any other provision of law, funds made available to the State agencies for the Program in any fiscal year will be managed and distributed as follows:

(1) The State agency shall ensure that all Program funds are used only for Program purposes. As a prerequisite to the receipt of funds, the State agency shall have executed an agreement with the Department and shall have received approval of its State Plan.

(2) Notwithstanding any other provision of law, all funds not made available to the Secretary in accordance with paragraph (a)(6) of this section shall be distributed to State agencies on the basis of funding formulas which allocate funds to all State agencies for food costs and NSA costs incurred during the fiscal year for which the funds had been made available to the Department. Final State agency grant levels as determined by the funding formula and State agency breastfeeding promotion and support expenditure targets will be issued in a timely manner.
