(ii) *Direct and indirect costs.* Direct costs are food and administrative costs incurred specifically for the SFMNP. Indirect costs are administrative costs that benefit multiple programs or activities, and cannot be identified to any one program or activity without effort disproportionate to the results achieved. In accordance with the provisions of part 3016 of this title, a claim for reimbursement of indirect costs shall be supported by an approved allocation plan for the determination of such costs. An indirect cost rate developed through such an allocation plan may not be applied to a base that includes food costs.

(2) *Costs allowable with prior approval.* A State or local agency must obtain prior approval in accordance with part 3016.22 of this title before charging to the SFMNP any capital expenditures and other cost items designated by part 3016.22 of this title as requiring such approval.

(3) *Unallowable costs.* Costs that are not reasonable and necessary for SFMNP purposes, or that do not otherwise satisfy the cost principles of part 3016.22 of this title, are unallowable. Notwithstanding any other provision of part 3016 of this title or this Part, the cost of constructing or operating a farmers' market is unallowable. The use of SFMNP funds to supplement congregate meal programs is prohibited. Unallowable costs may never be claimed for Federal reimbursement.

managers, and/or farmers who operate CSA programs on SFMNP operations;

(6) The cost of monitoring and reviewing Program operations;

(7) The cost of SFMNP training;

(8) The cost of required reporting and recordkeeping;

§ 249.13 Program income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency must retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in part 3016.25(g)(2) of this title. Fines, penalties or assessments paid by local agencies or farmers, farmers' markets, roadside stands, and/or CSA program are also deemed to be Program income. The State agency must ensure that the sources and applications of Program income are fully documented.

§ 249.14 Distribution of funds to State agencies.

(a) *State Plan and agreement.* As a prerequisite to the receipt of Federal funds, a State agency must have its State Plan approved and must execute an agreement with FNS in accordance with § 249.3(c).
