

list shall include a brief narrative describing what issues were given significant treatment and the programming that provided this treatment. The description of the programs shall include, but shall not be limited to, the time, date, duration, and title of each program in which the issue was treated. The lists described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.

(9) *Donor lists.* The lists of donors supporting specific programs. These lists shall be retained for two years from the date of the broadcast of the specific program supported.

(10) *Local public notice announcements.* Each applicant for renewal of license shall, within 7 days of the last day of broadcast of the local public notice of filing announcements required pursuant to § 73.3580(h), place in the station's local public inspection file a statement certifying compliance with this requirement. The dates and times that the pre-filing and post-filing notices were broadcast and the text thereof shall be made part of the certifying statement. The certifying statement shall be retained in the public file for the period specified in § 73.3580 (for as long as the application to which it refers).

(11) *Material relating to FCC investigation or complaint.* Material having a substantial bearing on a matter which is the subject of an FCC investigation or complaint to the FCC of which the applicant, permittee, or licensee has been advised. This material shall be retained until the applicant, permittee, or licensee is notified in writing that the material may be discarded.

(12) *Must-carry requests.* Noncommercial television stations requesting mandatory carriage on any cable system pursuant to §§ 76.56, 76.1614, 76.1620, and 76.1709 of this chapter shall place a copy of such request in its public file and shall retain both the request and relevant correspondence for the duration of any period to which the request applies.

(13) *DTV transition education reports.* For full-power noncommercial educational TV broadcast stations, both analog and digital, on a quarterly

basis, a completed Form 388, DTV Consumer Education Quarterly Activity Report. The Report for each quarter is to be placed in the public inspection file by the tenth day of the succeeding calendar quarter. By this date, a copy of the Report for each quarter must be filed electronically using the Commission's Consolidated DataBase System (CDBS). Stations electing to conform to the requirements of § 73.674(b) must also provide the form on the station's public Web site, if such exists. The Report shall be separated from other materials in the public inspection file. The first Report, covering the first quarter of 2008, must be filed no later than April 10, 2008. The Reports must continue to be included up to and including the quarter in which a station concludes its education campaign. These Reports shall be retained in the public inspection file for one year. Licensees and permittees shall publicize in an appropriate manner the existence and location of these Reports.

NOTE 1 TO PARAGRAPH (e): For purposes of this section, a decision made with respect to an application tendered with the FCC becomes final when that decision is no longer subject to reconsideration, review, or appeal either at the FCC or in the courts.

NOTE 2 TO PARAGRAPH (e): For purposes of this section, the term "all related material" includes all exhibits, letters, and other documents tendered for filing with the FCC as part of an application, report, or other document, all amendments to the application, report, or other document, copies of all documents incorporated therein by reference and not already maintained in the public inspection file, and all correspondence between the FCC and the applicant pertaining to the application, report, or other document, which according to the provisions of §§ 0.451 through 0.461 of the rules are open for public inspection at the offices of the FCC.
