Semiannual Regulatory Agenda

DEPARTMENT OF THE TREASURY (TREAS)

DEPARTMENT OF THE TREASURY

31 CFR Subtitle A, Chs. I and II

Semiannual Agenda and Fiscal Year 2005 Regulatory Plan

AGENCY: Department of the Treasury.

ACTION: Semiannual regulatory agenda and annual regulatory plan.

SUMMARY: This notice is given pursuant to the requirements of the Regulatory Flexibility Act (Pub. L. 96-354, September 19, 1980) and Executive Order (E.O.) 12866 (“Regulatory Planning and Review,” September 30, 1993), which require the publication by the Department of a semiannual agenda of regulations. E.O. 12866 also requires the publication by the Department of a regulatory plan for fiscal year 2005.

FOR FURTHER INFORMATION CONTACT: The Agency Contact identified in the item relating to that regulation.

SUPPLEMENTARY INFORMATION: On November 25, 2002, the President signed the Homeland Security Act of 2002 (the Act), establishing the Department of Homeland Security (DHS). The Act transferred the U.S. Customs Service from the Department of

the Treasury to DHS, where it is now known as the Bureau of Customs and Border Protection. Notwithstanding the transfer of the Customs Service to DHS, the Act provides that the Secretary of the Treasury retains sole legal authority over the customs revenue functions, and authorizes the Secretary to delegate any of this retained authority to the Secretary of Homeland Security. By Treasury Department Order No. 100-16, the Secretary of the Treasury delegated to the Secretary of Homeland Security authority to prescribe regulations pertaining to the customs revenue functions. This Order further provided that the Secretary of the Treasury retained the sole authority to approve any such regulations concerning import quotas or trade bans; user fees; marking and labeling; copyright and trademark enforcement; and the completion of entry or substance of entry summary, including duty assessment and collection, classification, valuation, application of the U.S. Harmonized Schedules, eligibility or requirements for preferential trade programs, and the establishment of recordkeeping requirements. Accordingly, these regulations are now listed in the semiannual regulatory agenda of the Departmental Offices of the Department

of the Treasury. Because of limitations in the computer software used to prepare the agenda, the agency information under the heading “For Further Information Contact” for these regulations incorrectly indicates the Bureau of Customs and Border Protection contact person is an employee of the Department of the Treasury rather than the Department of Homeland Security.

The semiannual agenda of the Department of the Treasury conforms to the Unified Agenda format developed by the Regulatory Information Service Center (RISC).

For this edition of Treasury’s regulatory agenda, one regulation of the Office of the Comptroller of the Currency is included in The Regulatory Plan, which appears in part II of this issue of the **Federal Register**. This entry is listed in the table of contents below and is denoted by a bracketed bold reference, which directs the reader to the appropriate sequence number in part II.

Dated: October 28, 2004.

Senior Advisor to the General Counsel for Regulatory Affairs.

Abstract: Title 31 CFR part 245 governs the issuance of replacement checks for checks drawn on the United States Treasury when: 1) the original check has been lost, stolen, destroyed or mutilated or defaced to such an extent that it is rendered non-negotiable; 2) the original check has been negotiated and paid on a forged or unauthorized indorsement; and 3) the original check

has been cancelled pursuant to 31 CFR part 240. This regulation is being revised to update the regulation's definitions to make them consistent with the language of the revisions to the definitions in 31 CFR part 240. Other revisions will govern the use of the Check Forgery Insurance Fund (Fund). The Fund is a revolving fund established to settle payee claims of nonreceipt where the original check has been fraudulently negotiated. The Fund ensures that innocent payees, whose Treasury checks have been fraudulently cashed, receive replacement checks in a timely manner. The NPRM is on hold pending implementation of the Expanded Check Forgery Insurance Fund Legislation (CFIF) and the

Abstract: This regulation governs the procedures for securing payment for money judgments against the United States. The proposed revision will update these procedures. This revision will benefit claimants and others in understanding the judgment payment

process. This regulation currently describes a process that involves the General Accounting Office (GAO) and the Treasury Department. The revision will remove the GAO from this description to reflect legislative amendments that effect this change. Also, the regulation currently identifies monetary thresholds that no longer

exist. The change will reflect the removal of these monetary limitations. These revisions will make the regulation consistent with current procedures for securing payment of money judgments against the United States.

In addition, the rule will address certain issues related to the presentment of substitute Treasury checks pursuant to the Check Clearing for the 21st Century Act, including the procedures that Treasury will follow upon a breach of the Act's substitute check warranties and the procedures that will apply if the Government incurs a loss due to the receipt of a substitute Treasury check rather than the original check.

2482. PROPOSED REVISIONS TO THE DISTILLED SPIRITS PLANT REGULATIONS

Priority: Substantive, Nonsignificant

Legal Authority: 26 USC 7805

CFR Citation: 27 CFR 19

Legal Deadline: None

Abstract: TTB is proposing to amend the distilled spirits plant regulations in 27 CFR part 19. Many of these proposed revisions are the result of a petition submitted by the Distilled Spirits Council of the United States (DISCUS). Other proposed revisions are a result of TTB's own comprehensive review of the regulations in 27 CFR part 19. TTB believes that the amendments proposed in this notice will benefit the distilled spirits industry by modernizing many of the requirements for operating distilled spirits plants and thereby allow proprietors to operate in a more efficient manner.

Priority: Substantive, Nonsignificant

Legal Authority: 26 USC 7805

CFR Citation: 27 CFR 44

Legal Deadline: None

Abstract: The temporary rule prescribes TTB regulations relating to a final rule (T.D. 92-181, 57 FR 37692), published by the former U.S. Customs Service (USCS). The USCS published this final rule to create a separate class of customs bonded warehouse duty-free store (class 9). A class 9 customs bonded warehouse may receive tobacco products or cigarette papers or tubes without payment of Federal excise tax. The temporary rule prescribes the regulations that allow a manufacturer of tobacco products or cigarette papers and tubes and an export warehouse proprietor to send such articles to a class 9 customs bonded warehouse. In addition, the temporary rule prescribes regulations that allow a proprietor of a customs bonded manufacturing warehouse to send such cigars to a class 9 customs bonded warehouse. This notice of proposed rulemaking invites comments on the temporary rule.

Packages are the immediate containers in which a manufacturer or importer places the tobacco products or cigarette papers or tubes for sale or delivery to the consumer. Also, this notice broadens the language for extending bonds so that manufacturers may receive tobacco products, cigarette papers and tubes, without payment of tax, from Puerto Rico. Priority: Substantive, Nonsignificant

Legal Authority: 26 USC 5704

CFR Citation: 27 CFR 40; 27 CFR 44

Abstract: This notice is the result of a petition from the Cigar Association of America and the Pipe Tobacco Council. The petition requests that TTB change its position regarding in-transit stops of tobacco products and cigarette papers and tubes after removal without payment of tax from a factory. TTB has taken the position that the law provides that manufacturers may remove the tobacco products and cigarette papers

and tubes by paying the excise tax and subsequently filing a claim for drawback. This notice proposes to clarify the regulations to recognize such in-transit stops and specifies records that manufacturers and export warehouse proprietors maintain relating to the removals without payment of tax.

This petitioned viticultural area has 6,490 acres, with 1,264 acres planted to wine grapes, and is on the north side of the Willamette Valley viticultural area in northwest Oregon. In November 2002, the petitioning group amended their viticultural area petition from the Red

Hills of Dundee to the Dundee Hills to avoid confusion with any other Red Hills viticultural area. Substantiating name evidence for the "Dundee Hills" name has been provided. The notice of proposed rulemaking published August 15, 2003. The final notice is in TTB review.

CFR Citation: 12 CFR 25**Legal Deadline:** None

Abstract: OCC is considering revising certain provisions of its rules implementing the Community Reinvestment Act (CRA). This rulemaking would address the regulatory burden imposed on smaller national banks by revising the eligibility requirements for CRA evaluation under the lending, investment, and service tests. This rulemaking would also revise the definition of the term "community development" to include typical

community development activities, such as affordable housing and community services, in rural communities and designated disaster areas.

Major status under 5 USC 801 is undetermined.**Unfunded Mandates:** Undetermined**Legal Authority:** 15 USC 1681**CFR Citation:** 12 CFR 41**Legal Deadline:** None

Abstract: OCC, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Office of Thrift Supervision, the National Credit Union Administration, and the Federal Trade Commission (the Agencies) are issuing a joint rulemaking to establish guidelines and regulations to implement section 114 of the Fair and Accurate Credit Transactions Act of 2003. Section 114 requires the Agencies to jointly issue guidelines for financial institutions and creditors identifying patterns, practices, and specific forms of activity, that indicate the possible existence of identity theft.

In addition, the Agencies must issue regulations requiring each financial institution and creditor to establish reasonable policies and procedures to implement the guidelines. The regulations must contain a provision requiring a card issuer to notify the cardholder if the card issuer receives a notice of change of address for an existing account, and a short time later receives a request for an additional or replacement card.

OCC administers and enforces section 16(a) with respect to officers, directors,

Priority: Substantive, Nonsignificant

Legal Authority: 12 USC 1 et seq; 12 USC 93a; 12 USC 481

CFR Citation: 12 CFR 5.34

Legal Deadline: None

Abstract: This rulemaking would revise OCC's rules governing national bank operating subsidiaries. The rulemaking would require a national bank to file an annual report with OCC that identifies its operating subsidiaries that do business with consumers and are not otherwise functionally regulated subsidiaries under section 5(c)(5) of the Bank Holding Company Act of 1956, as amended. The proposed annual filing would contain the name of each reportable operating subsidiary, its state of incorporation, and a brief description of its activities. OCC would then make this information available to the public on its Internet Web page. OCC anticipates that this rulemaking would not have a significant impact on national banks.

2557. RULES, POLICIES, AND PROCEDURES FOR CORPORATE ACTIVITIES; CIVIL MONETARY PENALTIES ADJUSTMENT

Priority: Substantive, Nonsignificant

Legal Authority: 28 USC 2461 note

CFR Citation: 12 CFR 19.240; 12 CFR 19.241

Legal Deadline: Final, Statutory, December 11, 2004.
 Adjustments must be made at least once every 4 years.

Abstract: This rulemaking would adjust civil money penalties to account for inflation. The Federal Civil Penalties Inflation Act of 1990 (Inflation Adjustment Act), as amended by the Debt Collection Improvement Act of 1996 (Debt Collection Act) requires federal agencies with authority to administer civil money penalties (CMPs) to publish regulations to adjust each CMP. The purpose of these adjustments is to maintain the deterrent effect of CMPs and to promote compliance with the law. The Debt Collection Act provides detailed instructions on the manner in which the inflation adjustment shall be calculated. The Inflation Adjustment Act requires adjustment to be made at least once every four years following the initial adjustment. OCC's prior adjustment to each CMP was published in the Federal Register on December 11, 2000 at 65 FR 77250 and became effective that same day. Accordingly, this final rule must be effective no later than December 11, 2004.

Because the Debt Collection Act provides OCC with no discretion in calculating the amount of the civil money penalty adjustment, notice and comment are unnecessary. Accordingly, the changes to the regulation will be issued as a final rule.

Legal Deadline: Final, Statutory, December 4, 2004, 15 USC 1681w.
 15 USC 1681W requires the banking agencies to issue final rules no later than one year after date of enactment of the statute.

Abstract: OCC, together with the Board of Governors of the Federal Reserve System, Federal Deposit Insurance Corporation, and the Office of the Thrift Supervision, (the banking agencies), are issuing a joint rulemaking to implement section 216 of the Fair and Accurate Credit Transactions Act of 2003. Section 216 requires the banking agencies, the National Credit Union Administration, the Securities and Exchange Commission, and the Federal Trade Commission to adopt consistent and comparable regulations, to the extent possible, requiring entities subject to their jurisdiction to properly dispose of consumer information as a means to reduce the risk of identity theft.

CFR Citation: 12 CFR 41

Abstract: OCC is considering a rulemaking to implement section 411 of the Fair and Accurate Credit Transactions Act of 2003 (FACT Act). Section 411(a) requires OCC to prescribe regulations that permit creditors to obtain or use medical information for certain credit eligibility purposes. Additionally, section 411(b) restricts the sharing of medical information and related lists or descriptions with affiliates. However, it permits sharing of experience information among affiliates and sharing other information among affiliates after providing the consumer notice and an opportunity to opt-out. Finally, section 411(b) authorizes OCC to issue rules to allow additional sharing of information determined by OCC to be appropriate or necessary. This rulemaking would establish for OCC a new 12 CFR part 41, Fair Credit Regulations, to implement the FACT Act and to allow certain sharing of medical information.

Abstract: This regulation proposes a rule that applies to a single taxpayer engaging in certain tax-motivated obligation-shifting transfers to prevent tax avoidance. Similar multi-party tax avoidance techniques are addressed by Property Treasury Regulation section 1.7701(i)-2 (1996). This regulation also would modify a rule in the proposed regulation dealing with certain related-party transfers that might, in its present form, present opportunities for tax avoidance.

2623. GUIDANCE REGARDING MARK-TO-MARKET VALUATION FOR CERTAIN SECURITIES

Priority: Substantive, Nonsignificant

Legal Authority: 26 USC 7805; 26 USC 475; 26 USC 446

CFR Citation: 26 CFR 1

Legal Deadline: None

Abstract: Section 475(a) requires that dealers in securities mark their securities to market. If the security is inventory, the dealer must include that security at fair market value. Taxpayers must treat any securities that are not inventory as if they were sold for its fair market value on the last business day of the year. While the legal definition of the term "fair market value" has long been settled, the statute is silent as to what valuation methodology should be used to determine fair market value of any particular security. Many of the securities subject to section 475 raise difficult valuation issues. An advanced notice of proposed rulemaking (ANPRM) was issued on May 5, 2003, and asked for comments on a possible financial statement-tax conformity safe harbor approach for valuing certain securities under section 475 for which the determination of actual fair market value is administratively difficult. The ANPRM asked for comments on: (1) the

securities to which this approach applies; (2) the taxpayers who may elect this approach; (3) the election into the approach; (4) the applicable financial statements to be used; (5) the recordkeeping, retention, and availability requirements for verification of financial statement-tax conformity; and (6) what approach will apply if the election for financial statement-tax conformity is not made. A notice of proposed rulemaking is being drafted currently based upon comments received from the ANPRM.

Abstract: The regulations for section 7654 (1954 Code) will revise existing regulations for clarification and the regulations for section 7654 (1986 Code) will be new. Internal Revenue Code (IRC) section 7654 contains the provisions for cover-over to the U.S. Possessions. Old section 7654 (1954 Code) continues to be applicable to Guam and the Commonwealth of the Northern Mariana Islands (CNMI) because these two possessions do not have an effective implementing agreement with the United States as required by the Tax Reform Act of 1986. Regulations are necessary for consistent and correct application of section 7654. For example, cover-over for (Armed Forces) residents of the possessions stationed outside the possessions are not specifically addressed in the 1954 Code, and neither is cover-over for Federal employees residing in U.S. Possessions. Regulations are needed to carry out the provisions of section 7654 and sections 931, 932, and 935.

CFR Citation: 26 CFR 1**Legal Deadline:** None

Abstract: The Internal Revenue Service Restructuring and Reform Act of 1998 (RRA '98) section 3461 amended section 6502 of the Code to limit the ability of the Service to enter into agreements extending the collection statute. RRA '98 also included an off-Code "sunset" provision governing the continued effect of collection statute extension agreements executed prior to January 1, 2000, the effective date of this section. The current regulations under section 6502 have not been updated to reflect these changes to the section. The current regulations provide that extension agreements may be executed anytime prior to the expiration of the original statutory collection period.

The revised regulations will incorporate the changes imposed by RRA '98 and will provide in part that the only two circumstances under which an agreement extending the collecting period may be executed are: (1) when the extension agreement is executed in connection with an Installment Agreement; and (2) when the extension agreement is executed prior to a levy being released pursuant to section 6343, when the release occurs after the expiration of the original 10-year statutory collection period. Also, the

revised regulations will discuss the continued validity of extension agreements executed prior to January 1, 2000.

CFR Citation: Not Yet Determined

Legal Deadline: None

Abstract: Notice 2003-79, section 5, published on November 28, 2003, states that the IRS intends to issue regulations, for years after 2003, that provide procedures for a foreign corporation to certify that it is a qualified foreign corporation for purposes of IRC section 1(h)(11)(C). The regulations will also provide procedures for certifying that a security that is not a common or ordinary share is equity rather than debt; that a foreign company is entitled to benefits under a comprehensive income tax treaty where a security is not readily tradable on a recognized U.S. stock exchange; and that the foreign corporation is not a FPHC, FIC, or PFIC in the taxable year in which a dividend is paid, or in the preceding taxable year. The regulations are also expected to address the meaning of the requirement in the legislative history that to qualify under a treaty for purposes of 1(h)(11) "substantially all of . . . [the foreign corporation's] income in the taxable year in which the dividend is paid" must qualify for treaty benefits.

2655. REMIC INTEREST-ONLY REGULAR INTERESTS

Priority: Substantive, Nonsignificant

Unfunded Mandates: Undetermined

Legal Authority: 26 USC 7805

CFR Citation: 26 CFR 1

Legal Deadline: None

Abstract: The advanced notice of proposed rulemaking describes rules that the IRS and Treasury Department are considering regarding the proper timing of income or deduction attributable to an interest only regular

interest in a Real Estate Mortgage Investment Conduit (REMIC). Under section 860B(a) of the Internal Revenue Code, an interest only regular interest in a REMIC (REMIC IO) is treated as a debt instrument. However, unlike traditional debt instruments, the amount received by a holder of a REMIC IO may not exceed the holder's initial investment. As a result, REMIC IOs have presented difficult and novel questions in the application of the rules for original issue discount, market discount, and premium. The IRS and Treasury Department are therefore considering whether to prescribe regulations under the authority of section 1275(d), and the other regulatory authority, with respect to the tax treatment of REMIC IOs for both initial purchasers and secondary market purchasers.

2739. DUPLICATIVE TAX BENEFITS**Priority:** Substantive, Nonsignificant**Legal Authority:** 26 USC 7805; 26 USC 1502**CFR Citation:** 26 CFR 1**Legal Deadline:** None

Abstract: This regulation prevents a consolidated group from deriving more than one tax benefit from a single economic loss. A loss on a consolidated return, with respect to the sale of a subsidiary's stock, will be suspended to the extent of duplication (i.e. the group retains the loss asset) as long as the subsidiary remains a member of the group. In addition, there is a basis leveling rule, which prevents groups from loading losses onto a single block of subsidiary stock and selling only that stock, while maintaining that subsidiary as part of the group.

2743. LIMITATION ON USE OF NONACCRUAL EXPERIENCE METHOD OF ACCOUNTING**Priority:** Substantive, Nonsignificant**Legal Authority:** 26 USC 403**CFR Citation:** 26 CFR 1**Legal Deadline:** None

Abstract: Under section 448(d)(5), as amended by the Job Creation and Worker Assistance Act of 2002, the nonaccrual experience method of accounting is available only for amounts to be received for the performance of qualified services (i.e., services in the fields of health, law, engineering, architecture, accounting, actuarial science, performing arts, or consulting) or for services provided by certain small businesses (i.e., those with gross receipts of \$5 million or less). The law provides that such taxpayers are not required to accrue, based on their experience, any portion of year-end receivables that will not be collected. Under the proposed regulations, taxpayers will be permitted to determine such amounts using alternative computations or formulas which, based on experience, accurately reflect the amount of income that will not be collected by such taxpayer. The proposed regulations will provide safe harbor methods (computations or formulas) of estimating such amounts that the taxpayers can rely on.

2787. DEEMED IRAS IN GOVERNMENTAL PLANS/QUALIFIED NONBANK TRUSTEE RULES

Priority: Substantive, Nonsignificant

Legal Authority: 26 USC 408

CFR Citation: 26 CFR 1

Legal Deadline: None

Abstract: Under IRS section 408(q), a qualified employer plan (plans

described in sections 401(a) of the Code, 403(a), 403(b), and governmental plans under section 457(b)) may permit employees to make voluntary employee contributions to a "deemed IRA," i.e., separate account or annuity established under the plan. Generally, these accounts or annuities are treated as IRAs pursuant to IRC section 408.

Proposed regulations providing guidance with respect to section 408(q) were published in the Federal Register on May 20, 2003, and the final regulations are expected to be published on or before March 31, 2004. Deemed IRAs must satisfy the requirements of section 408(a) except for the commingling requirements of section 408(a)(5). Consistent with this general rule, section 1.408(q)-1(f)(1) of the proposed regulations provides that the trustee or custodian of an individual retirement account must be a bank or an entity that received approval from the Commissioner to serve as a nonbank trustee, pursuant to section 1.408-2(e) of the regulations. IRC section 1.408-2(e)(1) provides that an entity must demonstrate by written application that the requirements of paragraph (e)(2) to (e)(6) of that regulation will be met in order to qualify as a nonbank trustee. The new regulation will provide that governmental entities need not demonstrate that all of these requirements will be met with respect to any deemed IRAs maintained by that governmental entity. The new regulation will provide that a governmental entity must demonstrate in writing to the satisfaction of the Commissioner that the entity will administer the trust in a manner that is consistent with the requirements of section 408.

2791. COORDINATION OF UNITED STATES AND CERTAIN POSSESSIONS INCOME TAXES (TEMPORARY)

Priority: Substantive, Nonsignificant

Unfunded Mandates: Undetermined

Legal Authority: 26 USC 7805

CFR Citation: 26 CFR 1; 26 CFR 301

Legal Deadline: None

Abstract: The regulations for section 7654 (1954 Code) will revise existing regulations for clarification and the regulations for section 7654 (1986) will be new. Internal Revenue Code (IRC) section 7654 contains the provisions for cover-over to the U.S. Possessions. Old section 7654 (1954 Code) continues to be applicable to Guam and the Commonwealth of the Northern Mariana Islands (CNMI) because these two possessions do not have an effective implementing agreement with the United States as required by the Tax Reform Act of 1986. Regulations are necessary for consistent and correct application of section 7654. For example, cover-over for (Armed Forces) residents of the possessions stationed outside the possessions are not specifically addressed in the 1954 Code, and neither is cover-over for Federal employees residing in U.S. Possessions. Temporary Regulations are needed to carry out the provisions of section 7654 and sections 931, 932, and 935.

TREAS—OTS

Proposed Rule Stage

Accord in the United States. In particular, this advance notice of proposed rulemaking (ANPRM) described significant elements of the Advanced Internal Ratings-Based approach for credit risk and the Advanced Measurement Approaches for operational risk (together, the advanced approaches). The ANPRM specified criteria that would be used to determine banking organizations that would be required to use the advanced approaches, subject to meeting certain qualifying criteria, supervisory standards, and disclosure requirements. Other banking organizations that would meet the criteria, standards, and requirements also would be eligible to use the advanced approaches. Under the advanced approaches, banking organizations would use internal estimates of certain risk components as key inputs in the determination of their regulatory capital requirements.

In the fourth quarter of 2004, the Federal Banking Agencies plan to begin a quantitative impact study to help determine the potential impact of implementing the capital framework set forth in the "International Convergence of Capital Measurement and Capital Standards: A Revised Framework", which updates and makes some significant revisions to the preliminary New Basel Capital Accord document from 2003, upon which the above ANPRM was based.

After review of the results of the quantitative impact study and after further review and full consideration of public comments received on the ANPRM, the Federal Banking Agencies would plan to draft a notice of proposed rulemaking (NPRM) for implementation of this capital framework.

Abstract: OTS is proposing to reduce regulatory burden by updating and revising its rules on securities-related activities of savings associations. First, the proposed rule describes the existing authority of federal savings associations to engage in various securities broker, dealer, and underwriting activities under the Home Owners' Loan Act (HOLA). This description should reduce compliance burdens by making OTS positions regarding the permissibility of these activities readily available to all.

OTS is also updating the existing prohibition on the sale of debt and equity securities issued by a savings association or its affiliate at the offices of a savings association. This change will reduce burden on savings associations by adding new exceptions and by eliminating consumer protection rules that overlap, and in some cases conflict, with other agency guidance. Finally, the proposed rule would eliminate various obsolete OTS securities activity regulations.

Abstract: The banking agencies, NCUA, and FTC also plan to issue a proposed rule implementing section 114 of the FACT Act, which requires the agencies to develop guidelines for use in identifying patterns, practices, and specific forms of activity that indicate the possible existence of identity theft. The agencies are also required to issue regulations requiring each financial institution and creditor to establish reasonable policies and procedures to implement such guidelines. The regulations must contain a provision requiring a card issuer to notify the cardholder if the card issuer receives a notice of change of address for an existing account, and a short time later receives a request for an additional or replacement card.

Abstract: OCC, the Board, FDIC, and OTS published a joint interim rule with request for comment to conform their respective regulations implementing the Community Reinvestment Act (CRA) to changes in: the Standards for Defining Metropolitan and Micropolitan Statistical Areas published by the U.S. Office of Management and Budget (OMB) in December 2000; census tracts designated by the U.S. Bureau of the Census (Census); and the Board's Regulation C, which implements the Home Mortgage Disclosure Act (HMDA). This joint interim rule did not make substantive changes in the requirements of the CRA regulations. This document was published as a joint interim rule because the changes made by OMB, Census, and the Board had already become effective. Further, financial institutions must use OMB's statistical area standards, Census' geographies, and the Board's Regulation C when adjusting assessment area delineations and collecting CRA loan data, beginning January 1, 2004.
