NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

36 CFR Ch. XII

Fall 2004 Regulatory Plan and Unified Agenda of Federal Regulatory and Deregulatory Actions

AGENCY: National Archives and Records Administration.

ACTION: Semiannual regulatory agenda.

SUMMARY: This agenda announces the proposed regulatory actions that the National Archives and Records Administration (NARA) plans for the next 12 months and those actions that

have been completed since the spring of 2004. This agenda was developed under the guidelines in OMB's Memorandum for Regulatory Policy Officers at Executive Departments and Agencies and Managing and Executive Directors of Certain Agencies and Commissions, dated August 18, 2004. NARA's purpose in publishing this agenda is to allow interested persons an opportunity to have more comprehensive documentation of NARA's regulatory plans and to participate in the rulemaking process. Some of the regulations listed in the agenda are considered significant under Executive Order 12866, "Regulatory Planning and Review."

For this edition of NARA's regulatory agenda, the most important significant regulatory action is included in The Regulatory Plan, which appears in part II of this issue of the **Federal Register**. The Regulatory Plan entry is listed in the table of contents below and is denoted by a bracketed bold reference, which directs the reader to the appropriate sequence number in part II.

Priority: Substantive, Nonsignificant

Legal Authority: 44 USC 21; 44 USC 29; 44 USC 33

CFR Citation: 36 CFR 1228

Legal Deadline: None

Abstract: As part of NARA's Records Management Initiatives to redesign Federal records management, NARA has determined that Federal agencies should be allowed to transfer unscheduled records to records storage facilities after notification to NARA but in advance of submitting a Standard Form (SF) 115 to schedule the records. The proposed rule does not change the prohibition on destruction of records without an approved SF 115. The existing regulation requires agencies to develop and submit the SF 115 prior to transferring records into a records storage facility. We believe that the proposed change would facilitate agency operations.

Abstract: The Information Security Oversight Office (ISOO) is revising Directive No. 1 in two subject areas: Referrals, subpart C section 2001.34, and Identifications and Markings, subpart B section 2001.21. The revisions update and clarify the current policy in these sections. While ISOO expects to revise section 2001.34 extensively, so that we can provide guidance on the use of the marking "25X," we will add an appendix B titled "Supplementary Guidance," rather than revise section 2001.21. Adding an appendix B provides a mechanism for future guidance on other parts/sections of the Directive. We expect to insert an explanatory paragraph about appendix B just before the Table of Contents for the Directive.
